Our High School days are now a fond memory. As we look back at our four years at Belmont High School, we should all be proud that we have worked hard, have accomplished quite a lot, and have certainly come a long way.

Our accumulation of scientific knowledge has helped us in our daily lives and will be useful in the future. We were made aware of social problems that face our country and the world, and I believe we have been stimulated enough to engage in solving these problems in the future.

We have enjoyed such activities as the senior class play, which was very popular and hilarious; the prom, which was overcrowded but successful beyond our expectations; the ski trips, which almost ruined our reputation; and the senior Halloween Dance, which was colorful, creative, and a lot of fun. Our athletic teams have been outstanding every year. Through the years, almost all of our fall, winter, and spring teams have qualified for state competitions. We have also donated monies to various charities, and we have worked hard on school improvement projects.

Now, we are ready to embark on a new adventure in life. We will all go our separate ways, but I am confident, we will all cherish the memories from our esteemed Belmont High. My grandfather used to tell me; with drive, hard work, and dedication a man will certainly achieve success.

... if we stick to this prescription, maybe, we will all be leaders of our generation.

I would like to thank the teachers and the administration for all the opportunities that they have provided for us. I thank you, the Class of 1988, for the memories and I wish you best of luck and happiness in all your future endeavors.

Ara Balikian
President of Class of 1988

The growth of an educated person takes time and is never truly completed. From kindergarten to your senior year and beyond teachers have and will use their energy and knowledge to help you reach a goal, that goal is the capacity for self education; not to be dependent upon, but independent of your teachers. The realization of this goal is rested both in the wisdom of your teachers past and future; and in your effort and willing participation in the educational process. I hope at no time have you or will you fail to take advantage of this opportunity. It will be complimentary to both you and your teachers if you meet the challenges of your future using the knowledge, courage, and integrity matured during your school years.

Best Wishes To The Class of 1988

RECORD: 10-3-5

What can we say? This was the year history was made. We are used to apologizing for our record, explaining that our team was "rebuilding", or that we were just adjusting to a new coach, or that the sport is very difficult and complicated, or that the other teams start playing in the seventh grade. All these are true; however, the 1987 field hockey team has absolutely nothing to be sorry for. Posting the first winning record of 10-3-5, and qualifying for the state tournament for the first time in Belmont history, we showed that teamwork and desire overcome all obstacles. Under the second year of Ms. Barbara Hawkes' coaching, the team made it through some harsh double-sessions and Sunday practices, helping us to upset the Middlesex League and prove to everyone that "there's no stopping us." Right Watertown? Watertown certainly got a taste of it. We handed them (Middlesex League Champs and defending State Champs) their only two losses of the season. We showed the league that Belmont was the team to beat; only lucky Wakefield and Lexington were able to accomplish that feat.

How did we do it? With twelve dominating seniors, five awesome juniors, and three hardworking sophomores, Lisa's long legs, Jenni's drive, Lex's goals (nice hat trick), Mary's mind (???), Pee Wee's size (good things come in small packages), Gina's smooth moves, Laura's attitude, and don't forget Beth's sick humor. Things to remember: States '87, swamp hockey, Gatorade (or water?), UNH — Food?, Pep rally, the gut with the stick shift ('86), Stripe, Sprints, "What's that fragrance you're wearing? . . . Ben Gay."

To the birds: Thanks for decorating our field!! "When are we getting our boxers?"

So, we would just like to thank our dedicated fans, mothers, fathers, friends, C.P. and W.M., and the rest for your support. And, to the team: Thanks for our best season yet and we wish the best of luck to next year's squad. The State Championship is waiting for you! Don't forget:

"Our team has spirit, our team has class

We know this year we really kicked some . . . "

We'll miss you,
Mary, Gina, and Beth

This year's Cross-Country team finished with a record of 5-4 in the extremely competitive Middlesex League led by senior phenomenon Caleb Perkins (League All Star) and junior Co-Captains Shawn Covell (League All Star) and Peter Haugh. This team placed an impressive fourth at the league meet. Caleb, in his first year also led the team to an eighth place finish in the division three race, while qualifying for the state meet at North Field Meet. Sophomores Evan Hawkins (League Honorable Mention) and Sage Kelly also contributed to Belmont's success. Other varsity runners include seniors Mark Freidberg, Erich Ippen, and Willett Moss, juniors Sten Wilander and Joss Stubblefield, and sophomores Jesse Buckley and Wilson Hu. Thanks for a great year Mt. G!

Once again the Girls Swim team finished with another successful season with a 6-2-1 dual meet record. The girls were undefeated in the Middlesex League competition. The only losses were to the state runner-up team Wellesley and the Connecticut State Champions, Cheshire. The girls went on to capture the Middlesex League title for the forth consecutive year. The team had a great championship season, they placed third at the north sectional competition. The girls then moved on to the state championship where seven swimmers and one diver competed. The great success of the team was largely due to the superb coaching of Craig Fuller and Steve Eisenhower.

"There are those who are winners
and know they are winners.
Then, there are losers
who know they are losers.
And then there are those who don't win, but don't look at themselves as losers.
They never quit. They're the soul of our game."

— Bear Bryant

With this 'never say die' attitude, the Belmont Marauders (led by a great group of seniors) were able to prove to everybody what they already knew, that they were winners.

1st row l to r: Chris Cummins, Mark Lewis, Scott Littner, Marc Anderson, Jimmy Bruce, Mel Wenner (Coach), 2nd row l to r: Mike Carracini, Kevin Flynn, Steven Puglese, Jay Monahan (Capt), missing from photo: Will Sheridan (Capt).

The golf team had its second consecutive state-tournament qualifying year under Coach Mel Wenner. Under the leadership of senior Co-Captains Jay Monahan and Will Sheridan the team completed a 6-3 record in the strong Middlesex League.

Monahan was not only a leader of the team and the team's top player, but was the league MVP. The highlight of his season was a one under par score of 35 at the team's home course, Belmont Country Club. Seniors Sheridan and Steven Pugliese had their best years as Mauraunders and will be looked on to perform well in the State Tournament. The team also got strong performances out of a group of juniors, led by next year's Captains, Jimmy Bruce and Mark Lewis. Key victories included the rival Watertown, and a convincing 10½-1½ win at Reading. The Reading win was a must win versus a team that was ahead of Belmont in the standings before the match started.

The team would like to thank Mel Wenner for two years of leading the team to the State Tournament after an absence of many years. He will be missed when next season starts.

Influential in the team's five wins during the regular season and a strong showing at Sectionals and States were Mark DiVito, John Marius, Chip Graham, Brian Turner, Todd Kenny and Ramzi Nuwayhid. The swimmers attribute their success to the fine coaching of Steve Eisenhower and team manager Erinn Mackey.

The 1987-88 Indoor track team surprised the Middlesex League and itself by posting its best league record (6-3) in recent years. The team was predicted to be very weak after the loss of last year's Seniors. But league All Stars Chris Connolly (600), Paul Witham (300), Caleb Perkins (2-mile) and Tri-Capt Jamie Fitzpatrick (hurdles, high jump) became the big point scorers. High Jumpers David Anjouria and Steve Allardi also scored often for the team. Hurdler Chris Stone, among others, had a key 2nd place against Burlington. Tim Johnson, the #1 sprinter, always made his presence felt. Seniors Paul McIver (300) and Mike Burgess (600, relay alternate) were important members of this year's team.

Belmont kept tradition alive by somehow assembling yet another great mile relay team. This year's team consisted of Tri-Capt. Paul Witham, Jamie Fitzpatrick, Chris Connolly and Junior Hanse Kalkoten. They shocked the state by winning the gold at the State Coaches meet in January. They look forward to an outstanding outdoor season.

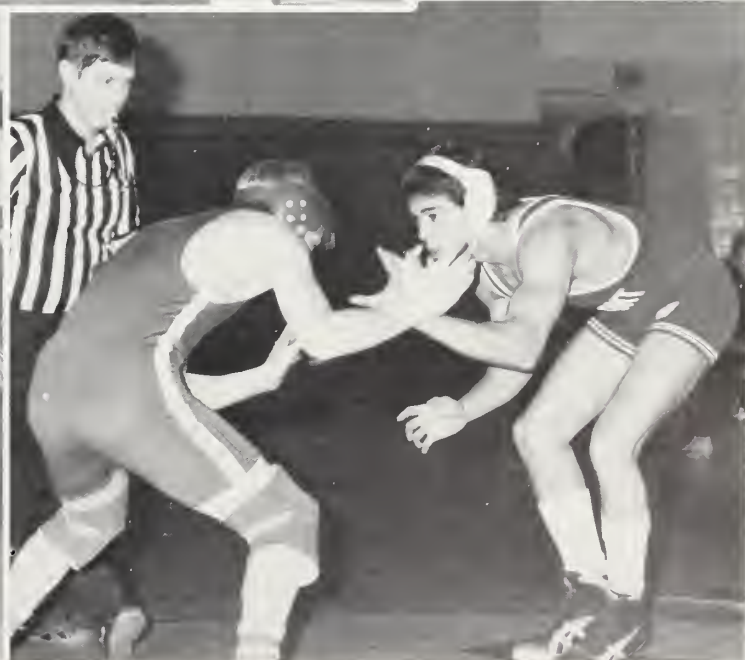

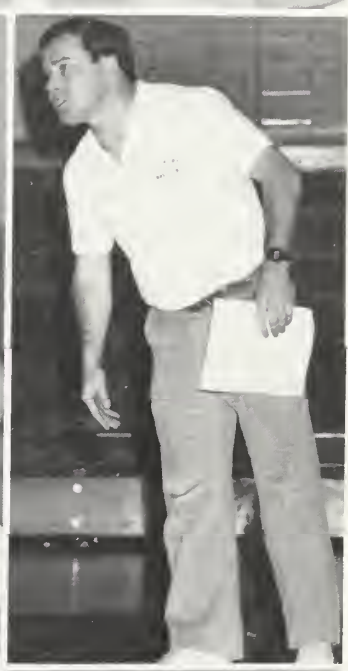

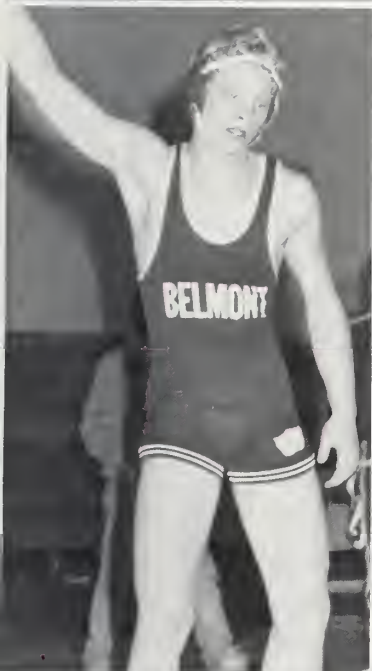

Wrestling

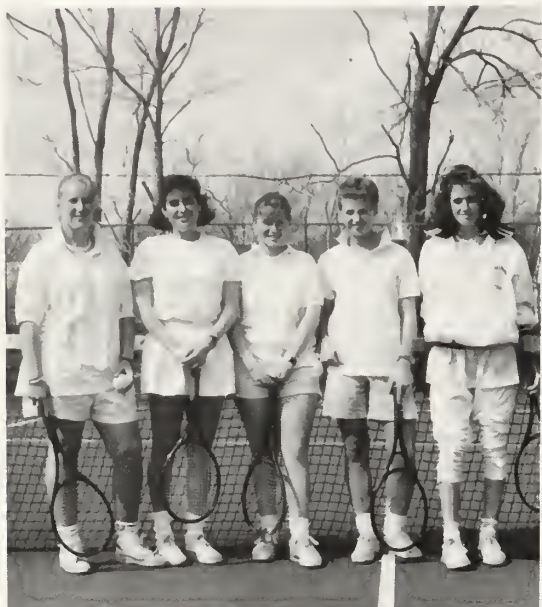

1st row l to r: Anthony D'Andrea, Eric Rogers (Capt), Pat Vigirolo (Capt), Mike D'Andrea (Capt), Wilson Hu, Chris Abidan, Dan Duest, Nadim Baghdady, Derek DiBona, Aaron Foster, 2nd row l to r: Sharon Bibeau (Manager), Jean Mallowney (Manager), Yujim Cummings, Tom Kearns, Matt Ellard, Rich Duest, Seth Allen, Jay Twomey, Lou Diepietro, Erik Barkei, Jamie Tinker (Coach), Paul Murphy (Assi. Coach)

Despite difficulty in filling the upper weight classes, and with many first year wrestlers competing, the wrestling team finished its 1987-88 season respectably. Under the leadership of Captain Patrick Viglirolo, Eric Rogers and Mike D'Andrea the team achieved many key victories. Many wrestlers compiled impressive individual records and continued the success into the post seasons. Among these team members who completed the season with admirable records were Nadim Baghdady, Eric Rogers, Pat Vigirolo, Mike and Anthony D'Andrea. The team would like to thank Coach Paul Murphy and Ass't Coach David Carvelli for the guidance and support this season.
